EXT. PARKING LOT - NIGHT

The parking lot is empty. A lightning storm starts up and THE TERMINATOR appears in classic fashion. He gets up and starts walking.

TERMINATOR 1

Kill Sarah Connor.

He is walking when a lightning storm starts up behind him. A second terminator appears. Each consecutive terminator has a similar lightning storm and appears with a thunderous boom.

TERMINATOR 2

I am here to stop you from killing Sarah Connor.

TERMINATOR 3

I am here to stop you from stopping him.

TERMINATOR 4

I am here to stop all of you.

The screen is quickly full of Terminators mumbling.

TERMINATOR 5

Terminate the Terminators

Terminator 5 pulls out a rocket launcher and fires. Explosions.

EXT. CITY - NIGHT

The city is in chaos. All the Terminators have guns and are firing at will.

INT. NEWS REPORT

We see a breaking news lead in. We see scenes of the chaos as the reporter talks.

ANCHOR

We are where with this special report. Mysterious men in black leather jackets and Austrian accents are appearing across the globe causing mass chaos. Reports are coming in that millions of people are dying. Is this the end for humanity?

A door slams open.

TERMINTOR (V.O.)

Sarah Connor??? Sarah Connor??

Sounds of gunshots. The anchor dives behind the desk. The camera falls. Cut to black and silence.

EXT. STREETS - DUSK

Post apocalyptic street. Houses are blown up. The grass is yellow. Dead bodies litter the street. Terminators are shooting each other. Terminators pop up and other Terminators starting shooting them.

Suddenly a large lighting storm starts. All the terminators look at it.

Out steps a the GOVERNATOR. A terminator in a business suit.

GOVERNATOR

I am the governorator. And I am here
to govern. By making everyone pump
iron!

Cut to black.

EXT. STREETS - DAY

Every store and building is a gym. Terminators are standing
outside each one. People are walking into them.

INT. GYM - DAY

People are working out. Terminators are next to them.

TERMINTOR

You can do better than that! Come
on!!

TERMINIATOR 1

If it jiggles. It fat. You run
until you don't jiggle any more!!

TERMINTOR

Good form.

The governorator is walking around. He stops on a women doing
back presses.

THE GOVERNATOR

Hm, I haven't seen you before!
What's your name?

SARAH

I'm Sarah Connor.

All the Terminators turn.

TERMINATOR
Sarah Connor??

They blow her up. The terminators start shooting at each other. People are running away. Chaos.

THE GOVERNMENTATOR
I have failed.

He shoots himself in the head. He doesn't die.

THE GOVERNMENTATOR (CONT'D)
Oh. Right.

He points his gun at people running away and kills them.

EXT. GYM

There is chaos. A terminator uses a rocket launcher and blows up the gym.

Some Terminators find a nuke on the ground. They shoot it.

EXT. EARTH

The earth has multiple a bomb explosions. Then the entire planet explodes like star wars.

EXT. SPACE

Junk is floating around. We see a Terminator upper body. The light is fading in it's eye. It gives a thumbs up.
